Privacy Laws

Our conference platform includes a robust networking function, which allows all registered participants to find and connect with each other through the platform. Basic information that you share during registration will be used to create your profile and access on the platform. DBIA complies with applicable privacy laws in collecting and processing your data.

By engaging with exhibitors and sponsor content, registrants are consenting to exhibiting and sponsoring companies having access to the personal data that is public in their profile. You may also be contacted through the platform only, by other registrants including attendees and speakers looking to connect with you. The networking function is the mechanism by which you can interact with others in the platform. Please indicate below your participation in the networking aspect of the Design-Build for Transportation/Aviation Conference.
