* Privacy Laws

Our conference platform includes a robust networking function, which allows all registered participants to find and connect with each other through the platform. Basic information that you share during registration will be used to create your profile and access on the platform. DBIA complies with applicable privacy laws in collecting and processing your data.

By engaging with exhibitors and sponsor content, registrants are consenting to exhibiting and sponsoring companies having access to the personal data that is public in their profile. You may also be contacted through the platform only, by other registrants including attendees and speakers looking to connect with you. The networking function is the mechanism by which you can interact with others in the platform. Please indicate below your participation in the networking aspect of the Design-Build for Transportation/Aviation Conference.

I agree to participate in networking

No, I do not want to participate in networking

Continuing Education Information:

The 2023 Design-Build for Transportation/Aviation Conference provides several opportunities for attendees to earn continuing education units (CEUs). Owners and Practitioners are eligible to earn up to 12 CEUs by attending the full conference.

DBIA is an approved AIA provider. 

The appropriate member or non-member fee will apply to the substitute, and any rate difference must be paid in full (including any balance due). Badge sharing and splitting prohibited.
